CAUSE NO. 38702-FAC 51

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

The Presiding Officer in this Cause, having examined the Petition and being duly advised in the premises, hereby finds as follows:

On July 17, 2003, Indiana Michigan Power Company ("Petitioner"), in accordance with I.C. 8-1-2-42, filed its verified application in this Cause for approval for a change in its fixed fuel adjustment and a new fuel cost adjustment credit. The evidentiary hearing is scheduled for August 21, 2003. After reviewing the petition, the presiding officer now finds that Petitioner should answer the following data requests by August 11, 2003:

1. Pursuant to the Settlement in Cause 42045, Petitioner agreed that "[t]he total fuel rate in effect beginning with the March 2004 billing month will be subject to a one-time corrective adjustment in the October 2004 semi-annual FAC filing to reconcile the variance experienced during the September 2003 through February 2004 billing months and the difference between the total fuel rate billed during the months of March 2004 through June 2004 multiplied by the actual usage for that period." Settlement Agreement, paragraph III.B. Explain what impact Section III.B of the Settlement in Cause No. 42045 has on Petitioner's requested FAC; include whether calculation of the proposed FAC in this Cause incorporated calculations set forth in such agreement.

IT IS SO ORDERED.
